

# NUVO®

## iPod docking & control Grand Concerto Multi-Room Audio

The world's most powerful distributed audio system "made for iPod", simply drop your iPod(s) into the Nuvo docking station(s) and your music collection is instantly available to listen to throughout your home.

- iPod® Plug & Play
- Control up to 6 iPods (anywhere in the home)
- Displays Song, Album & Artist Information
- Browse by Artist, Album, Playlists, Genre etc...

The Nuvo Grand Concerto wall mounted control pads offer the latest in OLED display with capacitive touch control and feature a familiar iPod® interface. Nuvo docking stations can be placed anywhere around the home in both hardwired and wireless options.

Expandable to up to 16 independent zones, the Nuvo Grand Concerto is ideal for any size villa, apartment, hotel or restaurant. Contact H3 Digital to find out more about this exciting new system.
